Resistance to steam	Not worse than 4	✓
Appearance	Should be free from foreign particles	✓

*All tests may not be valid for embossed & metallic laminates

Product:	High Pressure Decorative Laminated sheets
Size:	2440mm x 1220mm (8'x4')
Product conformity to:	British European Standard – BS EN 438, American Nema ID-3, BIS (Bureau of Indian Standard) is 2046.
Limited Warranty:	SANISH warrants that its products are reasonably free from manufacturing defects. The products when properly used, will comply, with normal deviations, to related manufacturing specification. This warranty shall be limited only to the original buyer for a period of one (1) year from the date of dispatch by SANISH. It excludes damage resulting from accidents, abuse or lack of care, improper use and/ or any alternation. It is recommended that the product must be inspected prior to installation and our liability will be limited to the extent of the cost of the product only. SANISH Laminates are used for various applications, without the possibility of control over the manufacturing of the finished product. The company does not assume obligations or liabilities arising from the furnishing, sale, installation or repair, use or subsequent sale of any product, to any person or entity.
Care & Maintenance:	Cleaning should be carried out with a soft moist cloth and warm soap solution. Do not use detergents containing abrasive particles or excess soda.
Note:	Samples presented are indicative of colour, pattern and surface finish but not actual thickness. For actual thickness of product, please check the sample attached above or check our actual products with our distributors/ dealers/ stock point or SANISH Gallery.
